The first Minnesota State Fair was held in 1859.

The Minnesota State Fair has been held in its present location (mid-way between Minneapolis and St. Paul) since 1885.

Corporate Information

The State Fair is governed by the Minnesota State Agricultural Society. The Agricultural Society is made up of delegates from the state's county fairs and various agri-business groups.

The Society is a financially self-supporting quasi-state agency charged exclusively with operating the fair and maintaining the fairgrounds. The Minnesota State Fair Foundation (501c3) is the non-profit fundraising arm of the State Fair, which works to preserve buildings, grounds and educational programs.

The State Fair's mission is to: educate and involve our guests by providing a world-class showcase that is innovative, entertaining and fun.
